Summary of role

You will support and mentor a team of up to 15 young people (15-17 years old) through the three phases of the programme. Your role is to inspire and support the participants throughout each stage.

Phase 1 is an outdoor adventure experience - you will be expected to participate fully and be a positive role model for the young people in your team. During Phase 2 you will guide your team through a selection of skills-development activities. In Phase 3 you will support the team to plan and deliver a successful, sustainable social action project.

Expected Outcomes

- Support and inspire the participants to give 100% throughout each phase of the programme
- Engage fully and enthusiastically with the participants, being a positive role model
- Maintain the professional face of the ECFC NCS programme

Main responsibilities

- Support the Team Leader and other staff to deliver a successful programme
- Support the Team Leader with pastoral care of the young people in your team
- Support with the delivery of various personal development, team building and physical activities
- Encourage the young people to contribute fully to guided reflection sessions
- Guide the young people to recognise their strengths and talents and identify how they have developed as a team and as individuals
- Take part in regular briefings with the Team Leader / other staff to update them on any issues
- Contribute to regular surveys and feedback sessions as part of an ongoing monitoring and evaluation process

About you

You should be passionate about working with young people from diverse backgrounds. A natural people person with a positive mind-set, you can inspire and motivate young people even when tired or stressed. An interest in social change and building stronger communities would be a huge benefit.

Essential:

- Understanding of the needs of 15-17 olds and what engages them
- Desire to support young people and maximise their potential
- Belief in young people and a desire to help them make active contributions to society
- Ability to empathise with teenagers and refrain from being judgemental
- Willingness to learn new skills and ways of working with young people
- Strong interpersonal and communication skills
- Ability to work as part of a team

Desirable:

- Experience working with teenagers, ideally in a youth residential setting
- Willingness to develop leadership skills and to proactively support the Team Leader
- Knowledge and understanding of the NCS programme and principles

This is an excellent opportunity to be involved with the fastest-growing youth programme in the country, with over 300 000 graduates so far!.

Good luck with your application and we look forward to hearing from you soon!
