CHARITY PARTNER EXPRESSION OF INTEREST

## About us

We are Exeter's leading health & wellbeing charity working in partnership with Exeter City Football Club.

We deliver inspiring physical activity, education, health and wellbeing programmes and courses primarily across Devon and Somerset for all members of the community regardless of ethnicity, age, gender, physical ability, background or economic status.

A full-time staff of 30+ and a casual staff of 70+ (supported by around 25 volunteers) are delivering on the frontline daily spending around 22,000 hours out in the community every year striving to improve life chances for all, often in the most deprived areas of Greater Exeter and among the most disadvantaged groups in our society.

While football is our beating heart, our work in the community has grown to extend far beyond. Our health, education, wellbeing and physical activity programmes reach over 45,000 members of our community each year and around 48% of those programmes are not football. The spread of our work is growing all the time.

Exeter CITY Community Trust host a variety of running events throughout the year, from Exeter Santa Run, Granite Way 10 & 20 mile, Exeter Half Marathon, Exeter 10km & Exeter Marathon & are looking to agree a two year period of working arrangements from June 2018 between several local charities for the benefit of the events, our charities and the communities we serve.
